FREE GUIDE

CHATGPT PAR APNA BUSINESS CLAIM KIJIYE

Step-by-step guide: ChatGPT Business Hub par apni business profile claim, verify aur complete kaise karein — taaki ChatGPT aapke baare mein andaza na lagaye.

✅ Profile claim karna FREE hai (beta, launched 10 Nov 2026)
✅ Page: **chatgpt.com/business-hub**
⚠️ Business Agents abhi sirf US mein hain. Kuch local listings ke liye waitlist bhi dikh sakti hai.

PEHLE YE CHECK KIJIYE (2 MINUTE)

ChatGPT kholiye aur poochiye: **"[Aapka business naam] [shehar] ke baare mein batao — timing, phone, services."**
Jo galat ya missing hai, note kar lijiye. Yahi cheezein profile mein theek karni hain.

STEP 1

BUSINESS HUB KHOLIYE, BUSINESS SEARCH KIJIYE

1. Browser mein **chatgpt.com/business-hub** kholiye (apne ChatGPT account se login)
2. "Search business" mein apne business ka naam likhiye
3. Business dikh jaaye toh select kijiye; na dikhe toh naya profile add karne ka option follow kijiye (eligible online businesses)

Galti: kisi aur ke account se claim karna. Wahi email/phone use kijiye jo business ka official hai.

STEP 2 · jahan sab atakte hain

VERIFICATION

Teen mein se ek tareeka chuniye:
📞 **Business phone** — SMS ya automated call
✉️ **Business email** — apne domain wala email best hai
🌐 **Website domain** — DNS mein ek TXT record add karna hota hai (hosting/DNS panel mein)

Uske baad ek **identity check** hota hai (QR code / secure link + photo ID). Approval ke baad review hota hai, decision email par aata hai.

Galti: Google listing wala alag number aur website par alag number. Har jagah ek hi phone, email aur address rakhiye.

STEP 3

PROFILE SAAF LIKHIYE

Category sahi chuniye. Description ka format:
Kya: aap kya karte hain (main services)
Kahan: shehar / area jahan service dete hain
Kiske liye: aapke customer kaun hain
+ contact, timing, delivery/return policy (agar lagu ho)

Example: "Faridabad mein ghar aur office ke liye AC repair, installation aur AMC. Same-day visit, Sector 1–89. Subah 9 se raat 8."

🎁 BONUS PROMPT — CHATGPT AAPKE BAARE MEIN KYA BOLTA HAI?

```
Main [business naam] chalata hoon, [shehar] mein. Ek customer ki tarah socho aur batao:
1) Agar koi "[meri service] near me" pooche, toh tum kaunse business suggest karoge aur kyun?
2) Mere business ke baare mein tumhe kya pata hai — timing, phone, services, reviews?
3) Kya koi info galat ya missing hai?
4) Meri profile/website par kaunsi 5 cheezein add karun taaki tum mujhe sahi aur pehle dikhao?
Jawab simple Hindi-English mein, bullet points mein do.
```

Har mahine ye prompt chalaiye aur dekhiye kya badla.

30-DIN PLAN

Din 1: profile claim + verify · Din 2: description + timing · Din 7: Google listing, website aur profile mein same info · Din 14: 5 naye reviews maangiye · Din 30: bonus prompt dobara chalaiye
