GOOGLE LISTING PRODUCTS GUIDE

Aapki listing ka free shop window bhariye: products ya services, photo, price aur button ke saath. 10-15 minute, sab free.

🛍️ Edit products 🛠️ Edit services 🔘 Button

STEP 1

SECTION KHOLIYE

```
Google Search → aapke business ka naam → Edit products
```

Services dete hain (salon, repair, clinic, coaching)? Wahin **Edit services** bhi milega — dono bhar sakte hain.

- [ ] Business Profile verified hai (bina verification ye section kaam nahi karta)
- [ ] Product categories pehle se soch lijiye (3-5 groups)
- [ ] Har product/service ki saaf photo ready rakhiye

Tip: Products sirf online store wale businesses ke liye nahi hain — bakery ke cakes, salon ki services, AC repair ke packages, sab yahan dikh sakte hain.

STEP 2

ADD PRODUCT

`Edit products → Add product`

FIELD	KYA LIKHEIN
Photo	Asli, saaf, roshni wali photo (stock nahi)
Naam	Jo customer search karta hai, wahi naam (e.g. "AC Service")
Category	Group naam (e.g. "Cakes", "Hair")
Price	Fixed price, ya price range (e.g. ₹1,200 – 1,800)

> **Mat kijiye:** photo par phone number ya bada text, galat price, ya jo cheez aap bechte hi nahi.

STEP 3 · JO ZYADA LOG CHHOD DETE HAIN

DESCRIPTION + BUTTON

Do lines likhiye ki customer ko kya milega, phir neeche ek button chuniye: **Order online, Buy, Learn more** ya **Get offer**, aur apni website/WhatsApp link daaliye.

- [ ] Description: fayda + khaas baat (e.g. "Eggless option, same-day delivery")
- [ ] Button: jo action aap chahte hain wahi
- [ ] Link: sahi page par (product page / WhatsApp / contact)
- [ ] Har product ke liye repeat kijiye — kam se kam 5-10 products/services

Products ko Google review karta hai; live hone mein thoda time lag sakta hai. Results vary.
