STEP 1 · SAHI SCREENSHOTS LIJIYE

- Google Maps par apna main keyword search kijiye (jaise "ac repair near me" ya "ac repair [aapka area]").
- Top listing (#1) kholiye aur screenshot lijiye.
- Apni listing ka bhi same screenshot.

STEP 2 · JO STEP SAB MISS KARTE HAIN

Sirf upar wala hissa kaafi nahi. Dono listings ke ye screenshots bhi lijiye:

- 📷 Photos tab
- ⭐ Reviews (latest 5–10)
- 🧾 Services / Products section
- ℹ️ About / hours / attributes

STEP 3 · YE PROMPT

```
Maine 2 Google Business listings ke screenshots diye hain:
pehle MERI listing, phir mere top competitor ki.
Ek aam customer ban kar socho jo abhi service dhoondh raha hai.
1) Tum kise call karoge aur kyun? Seedha jawab do.
2) Meri listing mein top 5 kamiyan, priority ke saath
   (photos, reviews, services, description, replies, hours).
3) Har kami ke liye ek kaam jo main is hafte kar sakta hoon.
Jo screenshot mein dikh raha hai sirf usi par jawab do, andaza mat
lagao.
```

CHECKLIST · IS HAFTE

- ☐ Kaam ki asli photos (team, kaam chalte hue, before/after) — kam se kam 10
- ☐ Har review ka reply (naam + kaam ka zikr)
- ☐ Services section mein har service alag se, description ke saath
- ☐ Primary category sahi; competitor ki category se match kijiye
- ☐ Business description mein aapki city + main service
- ☐ Hours aur holiday hours updated
- ☐ Happy customers se review maangne ka simple link
- ☐ Har hafte 1 Google post

Dhyan rahe: Fake reviews ya naam mein keyword stuffing mat kijiye — listing suspend ho sakti hai. ChatGPT ka jawab ek salah hai; har point khud check kijiye.
