Fake ya galat review ko report kaise karein, aur har bad review ka aisa reply jo naye customer ka bharosa jeete.

🚩 Report 📋 Status 💬 Reply templates

STEP 1

REVIEW REPORT KIJIYE

`Google Search → business ka naam → Reviews → review ke ⋮ → Report review`

- [ ] Sirf wahi review report kijiye jo Google ki policy todta ho (fake, spam, off topic, conflict of interest, abusive)
- [ ] Sirf bura lagne wala sachcha review policy violation nahi hai
- [ ] Screenshot rakh lijiye

STEP 2

SAHI REASON + STATUS

REASON	KAB
Off topic	Review aapke business ke baare mein nahi
Spam	Fake account, ads, links, copy-paste
Conflict of interest	Competitor ya ex-employee ne likha
Profanity / harassment	Gaali, dhamki, personal attack

Phir Google ka **Reviews management tool** kholiye aur report ka status check karte rahiye. Removal ki guarantee nahi hoti.

STEP 3 · ASLI FARAK

SHAANT, PROFESSIONAL REPLY

Naya customer review se zyada aapka reply padhta hai.

Template 1 (asli customer):

"Namaste [naam] ji, aapka experience accha nahi raha, iske liye sorry. Hum ise theek karna chahte hain — please [number] par call kijiye. — [aapka naam], [business]"

Template 2 (lagta hai fake):

"Namaste, humein aapki visit ka record nahi mila. Agar aap humare customer rahe hain, toh please [number] par baat kijiye, hum zaroor madad karenge."

- [ ] Gussa nahi, bahas nahi, customer ko jhootha mat kahiye
- [ ] 24-48 ghante ke andar reply
- [ ] Achhe reviews ka bhi thank you
